

## Keshab and Sri Ramakrishna

KESHAB, (later  
founder of BRAHMO SAMAJ) met with his colleague SRI RAMAKRISHNA (R) to convince him that there is NO GOD. HE WAS OXFORD EDUCATED - TALKED FOR HOURS.

R stood up & said  
"Oh KESHAB - HOW FINE HOW EXCELLENTLY you talk - But for the fact that I have seen God I would have been converted & believed what you say. He embraced & R said & you are the very proof that God exists. But for his Grace how can you talk so brilliantly. Oh KESHAB you are so pure, so Divine? KESHAB failed - THROUGHOUT NIGHT HE WAS THINKING OF R's firm faith. Next day came to R, fell at his feet - "Please tell me more about you God who has created a WONDER like you."
